Mr. Francis H. Moran  
Liggett and Myers Tobacco Company  
630 Fifth Avenue  
New York, New York

Dear Mr. Moran:

For your information, we have been advised by Mr. Addison Yeaman, of the Brown and Williamson Tobacco Company, of their decision to no longer participate in the accumulation of information on cancer and the potential etiological effects of tobacco.

Their decision is based upon the fact that they are no longer concerned in any of the suits and at the moment they do not anticipate any new actions in which they might be named.

We have been supplying to Brown and Williamson, copies of material only to Mr. Yeaman and their Research Director, Mr. Irwin Tucker. Will you please remove their names from your list of legal counsel. We will forward a revised list to you next week.

Sincerely,

*Grant Clarke*

Director
